

Model 268-02

Indoor / Outdoor Thermometer

**The NEW Model 268-02
Now Replaces Model 264
and Old Style Model 268
Glass Stick Wall Thermometers.**

Model 264

The new Model 268 has Suction Cups that are reversible allowing you to mount the 268 on a wall or window. You can opt not to use the suction cups and mount it the same way as the 264.

This 7"x2" bright blue color unit has easy to read white lettering and a non-toxic spirit filled glass tube with a -40° to 120°F / -50° to 50°C temperature range

Model 268-02
