Kensington®

Orbit® Trackball with Scroll Ring

All-day comfort and scrolling come together in the Kensington Orbit® Trackball with Scroll Ring. The scroll ring allows you to fly through web pages and documents. And all while delivering comfort and space savings no mouse can match.

- All-day comfort from a world leader in trackball innovation
- Scroll ring allows fast, easy scrolling of web pages and documents
- Uses far less desk space than a mouse
- Optical technology for precise tracking – no cleaning required
- Ambidextrous design for left or right handed users

What's inside: Kensington Orbit® Trackball with Scroll Ring, wrist rest, instruction guide, warranty card
Visit www.kensington.com to view online tutorial and download drivers.

Including USB 2.0
