

World Traveler Adapter Plugs

World Travel Adapter Plugs are designed to adapt your standard AC plug into one that fits into foreign power supplies. Adapters are for use with multi voltage electronics or other voltage converters that accept polarized plugs.

Features:

- ▶ Includes 5 plugs that cover the world
- ▶ Converts from US or Euro plug
- ▶ Convenient to travel only with the plug or plugs needed
- ▶ Durable, lightweight construction

Model: AC5

Available colors: white

General Specifications:

Adapter use by country.

| | | |
|---|---|--|
| Europe, Middle East, C.I.S. and parts of Great Britain. | 1 | |
| Europe, Middle East, and parts of Africa, Asia, South America, China, Tahiti, and the Caribbean | 2 | |
