The ThinkPad Compact Keyboard is a legendary, award-winning, full size slim keyboard in a Bluetooth version. To provide a seamless user experience, this new Island style keyboard is mirroring the same design, functions and technical specifications of the keyboard currently on our Thinkpad notebook systems. In addition the ThinkPad Compact keyboard incorporates scissor lift key mechanism to ensure great ergonomics and comfort. Larger keys as well as more space between keys help maximize preciseness for a higher quality all day typing experience. Additionally, the ThinkPad Compact keyboard features a simplified pairing with the system through Near Field Communication (NFC) tag. Simply tap and pair with an NFC-enabled system. No more changing batteries inside the keyboard - the ThinkPad Compact keyboard features an integrated battery with over one month battery life and simple micro USB charging. It is the ideal solution to amplify any ThinkPad.- Integrated TrackPoint -- No external mouse required - ThinkPad and Windows 8 function keys - Quick switch to function keys and back by Fn+Esc lock - Volume control, brightness control and other features you can find on ThinkPad laptops and ThinkCentre desktops - Integrated battery, no more changing batteries - Over one month battery life - Battery charging through micro USB - Status LEDs to show power, charging and pairing status - 100 cm (3.3 feet) keyboard charging USB to micro USB cable - Keyboard tilt - One-year warranty
