

## LENOVO® THINKVISION® LT2323z WIDE MONITOR

**SPEECHLESS BY DESIGN**

**STUNNING IN COMMUNICATION**

### VALUE FOR MONEY

Best value for money is neither just a tagline nor just a motto; the monitor's value comes from the best of features and certification for green leadership.

### SPOTLIGHT OF INNOVATION

World's 1st Microsoft® Lync™ qualified VoIP monitor integrates communication and collaboration in an innovative design.

### SUCCESS UNLIMITED

Experience boundless innovation with the integrated HD camera, dual digital microphone array, and speakers on the 23" IPS LED monitor.

Presenting the Lenovo LT2323z 23" IPS LED widescreen monitor for rich performance and enterprise productivity. With the best VoIP experience qualified by Microsoft® Lync™, you can indulge in long conference calls or video chats at the comfort of your desk. Integrated HD camera, speakers, and dual digital microphone with noise cancellation and adjustable settings aid smooth group meetings.

Industry-leading technology is topped with the highest industry standards for environmental safety and energy efficiency including: ULE Gold, TUV-Green mark, Energy Star 5.1, TCO Edge 1.1, and EPEAT Gold certification. Lenovo's LT2323z is the industry's first TUV green mark certified monitor.

Inspire productivity with wider multi-angle viewing, hardware split duo screen and USB 3.0 connectivity. Manage with ease – tool-less detachable stand, VESA bracket support, and auto adjustable brightness. The best in features, green leadership, productivity, all in one monitor – the Lenovo LT2323z has everything you need.
