lenovo® FOR THOSE WHO DO.

THE LENOVO® THINKCENTRE® M71e DESKTOP

SECURE. STABLE. MANAGEABLE.

LOW RISK COMPUTING WITH THINKVANTAGE TECHNOLOGY RESCUE AND RECOVERY AND LENOVO PASSWORD MANAGER

SECURE DATA WITH CHASSIS INTRUSION SWITCH AND USB INPUT/OUTPUT DISABLE FEATURE

STABLE ENTERPRISE-CLASS SOLUTIONS WITH ZERO CHANGES TO KEY COMPONENTS AND DRIVERS FOR AT LEAST 12 MONTHS

BEST-IN-CLASS PERFORMANCE WITH UP TO QUAD-CORE 2ND GENERATION INTEL® CORE PROCESSORS

OPTIMIZED ENHANCED EXPERIENCE 2.0 FOR WINDOWS® 7 WITH FASTER BOOT AND SHUT DOWN

VIEW MANAGEMENT UTILITY AND QUAD-DISPLAY SUPPORT WITH DISCRETE GRAPHICS CARD FOR MULTI-SCREEN VIEWING

Introducing the Lenovo® ThinkCentre® M71e, the essential desktop computer in both tower and small form factor (SFF) models. With the new-in-market 2nd generation Intel® Core i processors, these enterprise-level desktops are designed specifically for large enterprises and mid-level businesses that seek secure, stable, and manageable business-class computers. The M71e desktops are available at a best price—starting at USD 499—making them the best choice desktops for the best run businesses.

Secure: The M71e desktops make their mark as a secure computing solution, offering software for reliability and stability. Rescue and restore files that are accidentally deleted or lost through system corruption with ThinkVantage Rescue and Recovery. Replace multiple passwords with one easy-to-remember password through the Lenovo Password Manager. The chassis intrusion switch acts as a siren, safeguarding sensitive data by detecting unnoticed intrusion or tampering in the PC. The USB input/output port disablement protects you against external threats of corporate data theft. The secure M71e is complemented by stability, offering zero changes to key components and drivers for a period of at least 12 months. Work with the confidence of safe computing—to work in complete peace of mind.

Stable: The safe and stable M71e also delivers on speed. Support for up to 2nd generation Intel® Core quad-core processors provide 20% more performance gains over its predecessors. Boost performance further with Enhanced Experience 2.0 for Windows® 7.

Manageable: The M71e is more manageable with features for easy setup, maintenance, and repair. Extend your workspace with multiple displays using View Management Utility. The chassis are designed to enable easy component access for maintenance and repair. The M71e is certified by EuP 2011, EPEAT Gold, Climate Saver, and Energy Star as a go green desktop solution, along with 90% Power Supply efficiency.

LENOVO ENHANCED EXPERIENCE 2.0 FOR WINDOWS® 7.
FASTER AND OPTIMIZED FOR BUSINESS.

Lenovo Enhanced Experience 2.0 for Windows® 7 uses RapidBoot technology to start your PC on average 20 seconds faster than a typical Windows® 7 computer*. And with superior web conferencing and robust security features, you'll benefit from increased productivity at the office. Find out more at www.lenovo.com/win7ee

*Compares averaged data from Lenovo EE 2.0 PCs with averaged data from 42 competitor products of similar configuration. Testing conducted by CNET Labs, Beijing in November 2010, using the independent Microsoft VTS tool to measure start-up, shutdown, resume and other Windows® 7 performance measurements. Data from competitor and Lenovo PCs were averaged and compared to calculate the claims used. Performance will vary by model and configuration.

lenovo. FOR THOSE WHO DO.

BUSINESS PERFORMANCE AT ITS BEST

The ThinkCentre M71e is engineered to offer you the latest technology for faster performance through:

- Uncompromised desktop performance, with up to Quad-Core 2nd generation Intel® Core Processors
- Optimized Enhanced Experience 2.0 for Windows® 7 with Lenovo RapidDrive and RapidBoot technology
  - Quicker start up with Lenovo RapidDrive[1]—start up the system in less than 15 seconds, and start applications twice as fast
  - 20 second faster boot up with Lenovo RapidBoot and 28% faster shut down than a typical Windows® 7 PC

BEST GO GREEN DESKTOPS

The ThinkCentre M71e is a go green desktop with environmentally-friendly design values, as well as compliance to international standards like:

- EuP 2011 to reduce electricity consumption when your computer is in hibernation mode or turned off
- EPEAT® Gold that meets all required criteria for environmentally responsible and energy saving computing
- Climate Saver for efficient power supply that offers you optimum utilization of energy
- Energy Star® and 90% Power Supply contributing to greater energy savings

1   With optional 160GB Solid State Drive

AN OPTIMIZED EXPERIENCE FOR MAINSTREAM PRODUCTIVITY

The technology-rich ThinkCentre M71e is a class apart in manageability and productivity with:

- Chassis designed for hassle-free maintenance and repair
- Quad-monitor support through on-board DVI and VGA ports and a Discrete Graphics card
- AMD Radeon HD6450 Discrete Graphics card for Quad-monitor support
- View Management Utility to multiply your productivity with multiple displays
- Graphical BIOS for the convenience of using a mouse to manage settings

SERVICE OFFERINGS

THINKPLUS® SUPPORT

Warranty Service and Support:

- All ThinkCentre customers receive Lenovo's award winning Warranty Service and Support.
- You can upgrade your existing base warranty, expand the term of your coverage and/or improve response time and level of service.
- This means you get a fixed-term, fixed-cost service solution that allows you to accurately budget for equipment expenses, matching your refresh cycles and critical support needs.

ThinkPlus Priority Support:

- Lenovo's ThinkPlus Priority Support gives IT departments faster access to Lenovo technical support for PC HW and SW issues, along with IT management tools to maximize helpdesk productivity while managing overhead costs.
- By-pass basic troubleshooting and experience shorter hold times, reduced repair times and higher first time fix rates so that your IT team can concentrate on mission-critical business activities.

THINKPLUS® PROTECTION

- **Lenovo Hard Disk Drive Retention:** Lenovo Hard Disk Drive Retention allows you to retain your hard drive if it should happen to fail, instead of returning the damaged part to Lenovo, protecting valuable files and confidential information from falling into the wrong hands.
- To learn more about these and other available Lenovo Services, visit **www.lenovo.com/services**
