

The All-In-One Solution for Internet Connectivity in Your Home

The Linksys Wireless-G Cable Gateway is the all-in-one solution for Internet connectivity in your home. The Cable Modem function gives you a blazing fast connection to the Internet, far faster than a dial-up, and without tying up your phone line.

Connect your computer to the Wireless-G Cable Gateway via USB, or take advantage of the built-in 4-port 10/100 Ethernet Switch to jump start your home network. You can share files, printers, hard drive space and other resources, or play head-to-head PC games. Connect four PCs directly, or daisy-chain out to more hubs and switches to create as big a network as you need. The built-in Wireless-G Access Point allows up to 32 wireless devices to connect to your network at a blazing 54Mbps, without running cables through the house. It's also compatible with Wireless-B devices, at 11Mbps. The Gateway's Router function ties it all together and lets your whole network share that high-speed Internet connection.

To protect your data and privacy, the Wireless-G Cable Gateway features an advanced firewall to keep Internet intruders and attackers out. Wireless transmissions can be protected by powerful data encryption. Safeguard your family with Parental Control features like Internet Access Time Limits and Key Word Blocking. Configuration is a snap with any web browser.

With the Linksys Wireless-G Cable Gateway at the heart of your home network, you're connected to the future.

High-speed DOCSIS 2.0-ready Cable Modem gives you a fast, "Always On" connection to the Internet

Share the Internet — connect one PC to the integrated Router via USB and four more via Ethernet using the built-in 10/100 Switch

Built-in Wireless-G (802.11g) Access Point also lets you connect without running wires

Advanced firewall and security features protect your PCs, your data, and your family

Wireless-G Cable Gateway

Features

- DOCSIS 1.1 and 2.0 Certified Cable Modem
- Integrated Wireless-G Access Point (also compatible with all Wireless-B devices)
- SPI firewall with Denial of Service Attack Prevention
- Wireless Access Lists to enhance wireless security
- USB Port for Systems without a Wired or Wireless Network Card
- Email and Web-based Logging of Security Events
- Supports VPN Passthrough for IPSec, PPTP, and L2TP Protocols
- Free Technical Support—24 Hours a Day, 7 Days a Week, Toll-Free US Calls
- 3-year limited warranty

Specifications

Model Number	WCG200
Standards	DOCSIS 1.0, DOCSIS 1.1, DOCSIS 2.0, IEEE 802.11g, IEEE 802.11b.
Ports	4 RJ-45 10/100, 1 USB, 1 Female Coax F-Connector
Buttons	Power ON/OFF switch, Reset
Cabling Type	
Cable	Coaxial
LAN	UTP Category 5 or better
USB	Type B USB
LEDs	Power, Cable, Activity, Ethernet, USB, Wireless
Security	WEP, MAC address filtering, SPI Firewall

Environmental

Dimensions (W x H x D)	7.32" x 2.48" x 6.08" (186 mm x 63 mm x 154.5 mm)
Unit Weight	1.5 lb. (0.68 kg)
Power	12VDC, 1A
Certifications	DOCSIS 1.1, DOCSIS 2.0, FCC Part 15B Class B, UL 1950, EN60950, CE EN 55022 Class B, VCCI, IC-03
Operating Temp.	0°C to 40°C (32°F to 104°F)
Storage Temp.	-20°C-70°C (-4°F-158°F)
Operating Humidity	20% to 90%, Non-Condensing
Storage Humidity	20% to 90%, Non-Condensing
