Value Optical Mouse (SBF90)

Optical precision and reliability for your value PC

Optical Value

The Value Optical Mouse is a cost-effective way to upgrade the perceived value of your most price-sensitive solutions by replacing a ball-based mouse with the no-maintenance reliability of optical performance. Just plug it in and it works.

Quality and Durability

The familiar shape is ideal for any user. Made with the expertise of the world's largest mouse manufacturer, this mouse provides a quality feel and durability that exceed the expectations of its value pricing.

Long-Lived Productivity

State-of-the-art optical sensors provide the smoothest tracking on almost any surface. Since there are no moving parts, optical mice perform without any cleaning or maintenance and outlast traditional ball-base mice.

A Dedicated Product Line

Logitech System Builder products provide an extensive selection of cost-effective mice, keyboards, video, and audio products. They offer the value and visibility of a leading brand, allow your customers to be more efficient, and integrate easily into your solutions.

World-Class Quality

More than 20 years as the leading manufacturer of OEM mice gives Logitech unique expertise in creating high-volume, premium-quality products.

All Select products are made at ISO9002-approved manufacturing sites and include a 3-year warranty.

User-Friendly Innovation

The Logitech® brand promises your customers maximum comfort and productivity. Leverage the power of the Logitech brand to differentiate your offerings, and delight your customers.
