Microsoft® Lync.

Stereo Ultra-Wideband Digital Audio | Noise Canceling Microphone

### Instantly upgrade your communications

Built for Comfort

**Microsoft®**

# Microsoft® Hardware for Business

You can make every conversation more productive

This headset can deliver whether you're on a crucial call or trying to meet a deadline in a distracting workplace. The stereo ultra-wideband digital audio provides clear, acoustically accurate sound. The noise canceling microphone helps make sure you get heard even in noisy surroundings. And the specially designed earpieces help provide comfort for the longest days.

## Features

### Clear Stereo Sound

The ultra-wideband digital audio reproduces sound accurately.

### Noise Canceling Microphone

Meetings and conference calls can be more productive as voices can clearly cut through even noisy surroundings.

### Inline Volume and Microphone Controls

Adjust volume or mute on the fly with handy inline controls. And the call indicator light lets people know you're "busy."

### Plug and Play Simplicity

No software. Just plug it in and you're in business.

### All-Day Comfort

Ergonomically influenced earpieces and a 270-degree adjustable microphone help provide all-day comfort.

Microsoft®  
LX-6000

## System Requirements

Windows® 7, Windows Vista®, Windows® XP

PC-to-PC calls through IM require broadband Internet access. ISP fees and charges may apply.
