Microsoft® Hardware for Business

Stay tuned in and connected

This headset with a single earpiece lets you hear what's going on around you and still take care of business. The ultra-wideband digital audio provides clear, acoustically accurate sound. The highly sensitive, noise canceling microphone gives you the confidence that you are being heard even when you're surrounded by a noisy workspace.

Features

Selective Sound

The single earpiece provides the ability to handle calls and still hear everything around you.

Noise Canceling Microphone

Meetings and conference calls will be more productive as voices clearly cut through even noisy surroundings.

Inline Volume and Microphone Controls

Adjust volume or mute on the fly with handy inline controls. And the call indicator light lets people know you're "busy."

Plug and Play Simplicity

No software. Just plug it in and you're in business.

All Day Comfort

An ergonomically influenced earpiece and a 270-degree adjustable microphone provide all-day comfort.
