

WhisperWarm™

VENTILATION FAN

FV-11VH2, FV-11VHL2

Welcome to the next generation of WhisperWarm™ ventilation fans. Panasonic has found ways to improve upon this impressive fan/heat configuration. Now they're easier to install, are more lightweight and have a smaller housing. What's more, they're quieter than their predecessors with reduced sound levels. And lastly, we've streamlined them with a more cosmetically pleasing look. We think you'll be pleased with the new WhisperWarm™ line— an already great product that just got better.

- Extremely quiet operation
- Maximum heat level reached in just one minute from "off" position
- Newly-designed contemporary grille
- Easy to install with 24" hanger bar on center joist

Panasonic ideas for life

FV-11VH2, FV-11VHL2

We're proud to feature concentrated heat — our grilles are now structured in such a way that affords the user a stronger blast of air focused in one area for intensified warmth.

- 3 year warranty
- Rustproof paint treatment on galvanized housing
- Built in damper to prevent backdraft
- Thermal fuse protection on motor and 3-level safety device for heater
