

# MC-CG301 Compact Canister Vacuum

**Ultra-Lightweight, Portable Design**  
At only 9.4 lbs and featuring a large, ergonomic handle on top, the vacuum can easily be carried up and down stairs or comfortably held for above-floor cleaning.

**Powerful 11-Amp Motor**  
11-amp motor offers powerful cleaning performance.

**Blower Function**  
Attach the hose to the blower port and you have a simple, efficient way to extract dirt from hard-to-reach nooks and crannies, blow debris outdoors or corral it for non-vacuum cleaning.

**12" Cleaning Path**  
A 12" wide nozzle lets you clean larger areas in less time.

**Automatic Cord Reel**  
A single touch activates the cord rewind mechanism making storage easy and convenient.

**Soft Wheels**  
Gentle on floors and makes turning the vacuum easy.
