

RIG™

STEREO HEADSET + MIXER
FOR PC/MAC, XBOX 360®, PS3®, MOBILE

PLAY MORE. PAUSE LESS.™

Designed from the ground up to keep you connected, RIG blends game + chat with mobile audio, apps, alerts, and lets you take calls on the fly without hitting pause.

MSRP: \$129.99

Play more. Pause less.

Connect your phone to the RIG mixer and never stop when you get a call – just punch the paddle to answer.

Epic audio.

Feel the game and boost your music with serious gaming gear from Plantronics. Precision stereo, crystal-clear voice quality, and three EQ profiles: Pure. Intensify. Seismic.

Game on.

Two mics – one to game, one to go. Swap out the boom mic/cable and jack in the stealth inline mic with mute and call control – for music or gaming on the go.

Play anywhere.

Connect to your gaming and mobile devices: PC/Mac, Xbox 360, PS3, smartphones, and tablets.
