- **Auto-Touch®** control panel lets users easily select times and power levels. The controls are precise and easy-to-use.
- **5-Digit, 2-Color Lighted Display** is easy to read.
- **Minute Plus™** sets the oven at High with a single touch.
- **Reheat** options make it especially easy to heat 4 often served foods including beverages, rolls and muffins.
- **Cook** options ensure perfectly cooked popular foods for up to 6 servings.
- **Defrost** options quickly defrost meats and poultry by weight. Specific program for each category assures excellent, even results.
- **Pops Microwave Popcorn** automatically regardless of package size or brand.
- **Programmable** for 3 cooking stages.
- **10 Variable Power Levels** vary cooking speed for everything from fast reheating to delicate sauces.
- **Three Convenient Venting Options:** horizontal, vertical or recirculating.
- **Work Light and Exhaust Fan** provide convenience for range-top cooking.
- **Kitchen Timer** provides exact timing for cooking, phone calls or other tasks.
- **Other features include:** Child Lock safety feature, Demo Mode and Audible Signal Elimination.

Design and specifications subject to change without notice.

Each Sharp Over the Range microwave oven can be easily adapted for either outside ventilation (vertical or horizontal) or non-vented, ductless recirculation. Make sure the top of oven will be at least 66" from the floor and at least 30" from the cooking surface. A separate 15 amp. or greater electrical receptacle must be located in the cabinet directly above the microwave oven.

### Dimension Express :

To receive the most current specifications from Dimension Express, visit [www.dexpress.com](http://www.dexpress.com) or call (775) 833-3600 from a fax machine. Enter code 9026 for instructions and a directory of Sharp microwave oven products.
