Product Announcement Information Sheet

Product Name	Rechargeable Bluetooth Notebook Mouse
Model Number	VP6155
Part Number	RXT6000-3101F
UPC Code	 7 1526206155 2
Dimensions/Weight per Single Package	8.4 x 6.0 x 2.6 inches / 8.4-oz (213 x 152.5 x 65.5 mm / 239.2 g)
Dimensions/Weight per Master Carton	12.8 x 9.9 x 9.2 inches / 4.63 lb (326 x 251 x 234 mm / 2.1 kg)
Quantities per Master Carton	6 individual units
Suggested Retail Price	US\$39.99
Availability	March 30, 2012

PRODUCT DESCRIPTION (VP6155)

Short Description – 25 Words

- The sleek Rechargeable Bluetooth Notebook Mouse combines wireless connectivity with advanced Blue-optical technology to deliver enhanced mouse sensitivity over a wide variety of computing surfaces.

Standard Description – 50 Words

- This Rechargeable Bluetooth Notebook Mouse is your “go to mouse” for desktop and mobile computing. Regardless of your workspace, its sleek compact case design and advanced Blue-optical sensor technology deliver enhanced mouse performance over a wide variety of computing surfaces. Designed for both Windows PC and Mac OS X computers.

Long Description – 100 Words

- This sleek Rechargeable Bluetooth Notebook Mouse is your “go to mouse” for desktop and mobile computing situations. Its compact case design and advanced Blue-optical sensor technology deliver enhanced performance over a wide variety of computing surfaces. Connecting via Bluetooth technology, the Rechargeable Bluetooth Notebook Mouse delivers an uninterrupted 33 foot (10 meter) wireless range. It’s rechargeable via included USB cable so dead batteries are never an issue. Designed for both Windows PC and Mac OS X computers, the Rechargeable Bluetooth Notebook Mouse is the perfect choice for desktop, coffee shop, airport and hotel room computing.

FEATURES AND BENEFITS (VP6155)

Bluetooth-HID Connectivity for the Utmost Convenience

- Provides up to 33 feet / 10-meters of secure data transmission
- Designed to work with Bluetooth-HID enabled Mac and PC systems, eliminating the need for a separate receiver dongle
- Once connection is established, the mouse stays connected with the system without the need to reset
- Multiple RF channels eliminates potential interference

Earth-friendly In-use Recharging Feature for Green Environment

- Earth-friendly design eliminates the need to replace disposable batteries
- Mouse is rechargeable via the included mini USB charging cable and is operational while being charged
- Built-in LED power-low indicator light to signal when to recharge
- Preset sleep mode to save power
- Never lose productivity due to power-out or dead batteries

Advanced Blue-optical Sensor Offers Easy Mousing

- Advanced Blue-optical sensor technology enables tracking over a wide variety of computing surfaces, i.e. hotel desk, kitchen counter, dining table, etc. without the need for a mouse pad
- Fast tracking reduces mousing movement, prevents hand fatigue and provides improved productivity

Compact Design Ideal for Road Warriors

- Mouse is designed with transportability in mind whether for long business trips or just moving between office, conference room and home
- Convenient carrying pouch included

SPECIFICATIONS (VP6155)
