## Product Descriptions

### **Product Description – 25 Words**

The Blu-Link™ Folding Bluetooth® Keyboard and Tablet Stand is an ultra-portable folding wireless keyboard for iPad® and other full- or mini-sized tablets and smartphones.

### **Product Description – 50 Words**

The Blu-Link™ Folding Bluetooth® Keyboard and Tablet Stand is an ultra-portable folding wireless keyboard for iPad® or other full- or mini-sized tablets and smartphones. Slip the Blu-Link™ keyboard from its travel case and, using the case as a portable stand, utilize your iPad or other tablet like a workstation, anywhere.

### **Product Description – 100 Words**

The Blu-Link™ Folding Bluetooth® Keyboard and Tablet Stand is an ultra-portable folding wireless keyboard for iPad® or other full- or mini-sized tablets and smartphones. Slip the Blu-Link™ keyboard from its travel case and, using the case as a portable stand, utilize your iPad or other tablet like a workstation, anywhere.

Boost your productivity with the Blu-Link™ Folding Bluetooth® Keyboard. Featuring full-sized keys, it makes typing on your tablet a breeze. And when you're ready to wrap up, this ultra-portable keyboard folds up, magnetically seals and slides into its travel case, slipping easily into your brief case, backpack or travel bag.

## Features & Benefits

### **Reliable Bluetooth connectivity for untethered wireless freedom**

- Ultra-portable wireless keyboard and tablet stand
- Compatible with iPad®, iPhone®, Android® and other popular mobile tablets and smartphones, regardless of size.
- Connects to mobile devices via Bluetooth® wireless
- Keyboard provides full-size keys for effortless typing
- Travel case doubles as an ultra-portable tablet stand

### **Compact slim folding design with great portability for the road warriors**

- The keyboard with a clever design weighs less than a pound for ease of carrying.
- When folded the compact and slim keyboard measures a little bigger than a 4"x6" picture and less than 1" in thickness; easily fits in any briefcase or backpack.

### **Full size scissor keys for comfortable typing**

- The keyboard comes with standard full-size keys, allowing normal typing without long learning curve.

- The scissor key construction with slim and firmly attached keys prevent keys falling off during transport.

### **Included carrying case doubles as device stand for ease of display viewing**

- The keyboard comes with a case offering great protection and ease of carrying
- The protective case doubles as a stand for the smartphone or tablet for the right viewing angle when typing.

### **Embedded rechargeable Lithium battery for green environment**

- The keyboard features a built-in Lithium battery, which can be recharged via the included USB cable.
- No more disposable batteries and never need to look for batteries again.
- Earth-friendly feature protects our environment and offers great ease of use.

## **Specifications**
