

MDR-ZX600/WHI

Enjoy Incredible sound quality in a fashion forward design, the resulting combination of legendary performance with a touch of color and a slim, compact style.

Bullets

- Slim, Swivel folding style for portability
- Comfortable padded headband and earcups
- 40mm driver units for broad response with high resolution
- Neodymium magnets for powerful sound
- Resists high-power input up to 1,000 mW
- Durable 1.2m Y-Type, Flat cord

Features

Slim, Swivel Style

Slim in stature with swivel-fold earcups, Sony MDR-ZX600 headphones are lightweight when worn, yet easily stow away in a backpack or book bag when on the go.

Comfort

Soft earcups and a padded headband complement your favorite playlist with comfort.

40mm Diaphragms

Proven 40mm driver units provide just the right balance of rigidity and response for balanced audio reproduction time and again...

Neodymium Magnets

Neodymium is the perfect solution for delivering powerful audio with solid bass and clear mid and high frequency response.

Power Input

Built to take the punishment, the MDR-ZX600 resists high-power input, up to 1,000 mW.

Durable Cord

A durable 1.2 m Y-Type, Flat cord not only accents the design, but also resists tangles.
