4 Port VGA Video Splitter - Wall Mountable
StarTech ID: ST124W

Distribute and deliver you content with the ST124W from Converge A/V. Use a single VGA source to display on two monitors simultaneously.   Perfect for retail, tradeshows, education, government, and corporate displays where high quality video is required.

The ST124W supports resolutions up to 1600 x 1200 and lets you locate screens up to 200 ft away from your system, plus easy plug and play installation lets you take your show anywhere and set up in seconds.

Rely on Converge A/V products for all your Audio/Visual and Digital Signage needs.

Applications and Solutions
> Airports, bus terminals and train stations
> In-store product merchandising
> Information booths/kiosks
> Lecture halls and classrooms
> Trade-shows
