StarTech.com
Hard-to-find made easy

Connect your Macbook Air to a boardroom display (HDMI or VGA) and a wired Gigabit Ethernet network with this convenient adapter bundle. The MACAMDPGBK MacBook Air connectivity kit is an add-on accessory bundle that extends the capability of your port-limited MacBook. The kit contains 3 StarTech.com adapter products to connect your MacBook Air or similarly configured MacBook Pro to an external HDMI or VGA display, and a wired Gigabit Ethernet network as needed. Though extremely portable, ultra-thin laptops sometimes lack the necessary ports to connect to various displays/projectors and wired networks when traveling between boardrooms, trade-shows, hotels and conference centers. We designed this bundle of MacBook accessories to provide the missing connections most commonly desired among mobile users to prepare you for almost anything. Package Contents:- White Mini DisplayPort to VGA Adapter (MDP2VGAW)- White Mini DisplayPort to HDMI Adapter (MDP2HDW)- White USB 3.0 Gigabit Ethernet Adapter (USB31000SW) Backed by a StarTech.com 2-year warranty and free lifetime technical support. The StarTech.com Advantage- Reduce expenses by getting the most commonly desired MacBook Air accessories at a bundled price- Leverage full Gigabit bandwidth through USB with the included USB 3.0 NIC- Easily adapt to external displays or projectors with the included plug-and-play Mini DisplayPort converters
