Connect a Mini HDMI equipped Digital Camera or Tablet to your VGA Display, or Projector. The MNHD2VGAE2 HDMI Mini HDMI to VGA adapter/converter actively converts an HDMI Mini source video signal from your digital camera or tablet PC, onto a VGA projector or display. The adapter supports full 1080p resolutions, making it a convenient choice for applications requiring high-definition capability. The Mini HDMI to VGA adapter is intended for displaying user generated content such as presentations, documents, and work sheets onto a VGA projector or monitor. The HDMI Mini/VGA adapter features a compact design, with no need for an external power source, which ensures a compact and portable solution that is easy to carry as an accessory. Backed by a StarTech.com 2-year warranty and free lifetime technical support. The StarTech.com Advantage- The adapter/converter doesn't require an external power adapter, ensuring a compact and portable solution- Simple plug-and-play installation ensures a quick and hassle-free setup- High quality, compact design for long term durability and a minimal footprint
