Hard-to-find made easy

Make Power-over-Ethernet-capable Gigabit network connectionsThe N6PATCH25GN Cat 6 Patch Cable (25 ft) meets or exceeds all Category 6 cable specifications to ensure reliable Gigabit network connections, and features a durable green PVC jacket that enables you to color code your network cable runs as needed.To ensure long-lasting performance, this high quality Cat 6 patch cable features a snagless design that protects the RJ45 connector clips from damage and makes the cable less prone to snagging during installation. The cable also features molded PVC strain relief that prevents the RJ45 connector termination points from bending at sharp angles - reducing the risk of cable damage, which could decrease network performance.Constructed of only top quality materials, this Cat 6 Patch Cord delivers reliable performance and is backed by our Lifetime Warranty.100% Copper - a better value StarTech.com Cat6 cables are manufactured using high-quality copper conductors. While many cable manufacturers offer a "cheaper" cable based on a copper-coated aluminum core, we make no compromises on quality to ensure you receive top value and performance for your network cable investment. 24 AWG Wire This Cat6 cable is constructed with 24 gauge copper wire, to support a broad range of Ethernet applications such as Power over Ethernet (PoE). Because we use a high quality copper wire, our cables easily sustain the power required for Power over Ethernet applications, whereas the inferior quality offered by copper-coated aluminum cables may be subject to insufficient power delivery, heat buildup, equipment damage and potentially, fire.50-micron Gold Connectors This Cat 6 patch cable offers high quality connectors comprised of 50-micron gold, to deliver optimum conductivity while eliminating signal loss due to oxidation or corrosion.The StarTech.com Advantage- 50-micron gold connectors ensure optimum conductivity while eliminating network signal loss due to oxidation or corrosion- RJ45 connector clip protectors help keep the plugs from snagging while routing the cable, for easier Cat 6 cable runs- Backed by StarTech.com lifetime warranty

Main specifications:

Features

Cable length:	7.62 m
Connector 1:	RJ-45
Connector 2:	RJ-45
Gender:	Male/Male
Colour of product:	Green

Weight & dimensions

Weight:	340 g
---------	-------

Packaging data

Package width:	25 mm
Package depth:	187.50 mm
Package height:	212.50 mm

Other features

Weight (imperial):	0.75 lbs
--------------------	----------
