Hard-to-find made easy

Exactly duplicate a 2.5in or 3.5in SATA hard drive to 5 hard drives simultaneously, or dock any of the 6 connected hard drives to your computer through USB 3.0 or eSATA. The SATDOCK5U3ER Hard Drive Duplicator & Docking Station lets you clone a 2.5in or 3.5in SATA hard drive (HDD) or solid-state drive (SSD) to five other SATA drives simultaneously, as a standalone device. The duplicator also lets you erase up to 5 drives, without a host connection. You can also use the duplicator as a 5-bay HDD / SSD docking station, by connecting it to a host computer system through either USB 3.0 or eSATA. With support for high-capacity drives (tested with up to 6TB), this is a simple and cost-effective way to boost your data storage/backup capabilities. Optimized Productivity By copying data from one drive to five drives simultaneously, the hard drive cloner helps boost your productivity by avoiding the hassle of repeatedly swapping drives in and out during high volume duplication projects. Plus, the dock supports erasing up to five drives simultaneously with multiple operating modes, including Quick Erase as well as Multipass Overwriting (DoD) -- the ideal solution for permanently erasing confidential information and helping to protect your business and your clients from identity theft. Hassle-free Performance With a built-in LCD display, the SATDOCK5U3ER makes it easy to monitor duplication progress and review copy/erase results and drive diagnostics during standalone operation. The housing has also been specifically designed with ease-of-use in mind. The drive slots feature a dual-profile design to support hassle-free swapping between 2.5in and 3.5in hard drives and solid-state drives without having to use additional brackets or adapters. Maximum Versatility With the option to connect the docking station through either eSATA or USB 3.0, the SATDOCK5U3ER provides a versatile solution for expanding the storage capability of almost any laptop or desktop computer. For fast performance, you can connect the docking station to your computer through eSATA for efficient data transfer speeds up to 3 Gbps. For broader system compatibility, you can connect the dock through USB 3.0, which is also backward compatible with USB 2.0/1.1 host connections. The SATDOCK5U3ER also provides two charge-only, fast-charge USB ports, that you can use to keep your iPhone, iPad, and Android tablets or smartphones charged. You can also duplicate, erase or access other drive types in duplication and quick-erase applications using a drive adapter. The following StarTech.com adapters have been tested to ensure compatibility with this drive duplicator: SAT2IDEADP" text="2.5/3.5in IDE drives - SAT2IDEADPSAT2MSAT25" text="mSATA drives - SAT2MSAT25SAT32M225" text="M.2 (NGFF) drives - SAT32M225 Built for dependable, long-term performance the SATDOCK5U3ER is durably constructed and backed by a StarTech.com 2-year warranty and free lifetime technical support. The StarTech.com Advantage- Maximum versatility with HDD / SSD duplicator, docking station and eraser in a single device- Save time on mass drive duplication projects, by creating five duplicate drives simultaneously- Hassle-free standalone operation and easy-to-read task progress monitoring with built-in LCD display

## Main specifications:

### Technical details

Device type:	HDD
Number of simultaneous copies:	5
Interface:	USB 3.0/eSATA
Duplicator operating modes:	Copy, Erase
Transfer rate:	5000 MB/s
Chipset:	SPIF260A, ASM1453, JMB393
Number of fans:	2

Fan diameter:	60 mm
Port multiplier:	Y
LED indicators:	Activity, Power
<b>Hard drive</b>	
Hard drive capacity:	6000 GB
Supported hard disk drive sizes:	2.5, 3.5 "
Supported hard disk drive interfaces:	Serial ATA II
<b>Power</b>	
Input current:	2 A
Output current:	5 A
AC input voltage:	100 - 240 V
<b>Operational conditions</b>	
Operating relative humidity (H-H):	20 - 80 %
Operating temperature (T-T):	5 - 35 °C
Storage temperature (T-T):	-20 - 50 °C
<b>Weight &amp; dimensions</b>	
Dimensions (WxDxH):	151.8 x 315 x 75 mm
Weight:	1500 g
<b>Colour</b>	
Colour of product:	Black
<b>Display</b>	
Display:	LCD
<b>Packaging data</b>	
Package dimensions (WxDxH):	195 x 383 x 270 mm
Package weight:	2500 g
Cables included:	eSATA, USB
AC adapter included:	Y
Manual:	Y
<b>Certificates</b>	
RoHS compliance:	Y
Certification:	CE, FCC
<b>Other features</b>	
Output voltage:	19 V
