Installation Guide

Packaging Contents

- 1 x RK619WALL equipment cabinet
- 1 x Set of keys
- 20 x Cabinet Screw
- 20 x Cage Nut

Prior to mounting the cabinet to a wall, ensure that 4 wall mounting screws/anchors (not included) are properly installed into the wall. Ensure the use of mounting hardware appropriate for the type of wall and able to support the weight of the cabinet, plus any accessories that will be installed into it.

To attach the RK619WALL to a wall, ensure the mounting point holes on the rear of the cabinet, line up properly with the screws/anchors installed into the wall.

The cabinet features a lockable front door with an acrylic viewing window, that can be removed entirely or installed to open from the left or right as needed. The two pins that serve as the door hinge can be pressed inwards to release the door from the cabinet frame.
