

# Sunpak SD-CR-BU Secure Digital Card Reader

## About:

- Reads and writes to flash cards
- LED indicator
- Compact design
- Compatible with Sony, Sandisk, Toshiba and Lexar
- Sunpak Card Reader color: Blue
- USB 2.0

The Sunpak SD-CR-BU Secure Digital Card Reader provides a compact way to upload and retrieve photos, video and other files from SD cards so that you can share them, print them or edit them into multi-media presentations. Its ultra-slim design allows it to be easily carried in a pocket or a purse for use whenever you need it. Besides for uploading, it can also be used to save files to SD cards. An LED indicator lets you know things are working properly, and USB 2.0 technology allows the SD card reader to quickly transfer and upload files. It is compatible with several different types of SD cards, including those from Sony, Sandisk, Toshiba and Lexar. A detachable cover can protect SD cards that are connected to the reader.
