

# SkyTone™

USB Internet phones

Say hello to  
**FREE** Internet calling

Hello

Skype compatible.  
Make Free calls PC to PC.  
Save money on all other calls.  
Call any phone, anytime, anywhere.

Call Jeff at college...

Call the Hong Kong Office...

Call Uncle Mario in Italy...

...All for FREE!

**Here's how it works...**

1. Plug phone into USB port on your PC...Simple.
  2. Download SkyTone drivers from CD... You can do it!
  3. Sign up for Skype® or any other Internet phone service\*...Takes 10 minutes!
  4. Start calling PC's for free...Wow!
  5. Save money on all calls...Really Great!
- \* Skype start up software included*
