

## iPad & Tablets

Green Text with Light Green Background indicates the adapter tip is included with product.

Red Text with Clear Background indicates the adapter tip is sold separately.

N/A indicates that the adapter is not available or the product is not compatible.

**\*NC\* (Not Compatible):** The MP1550 is not compatible with devices that require more than 800mA. Therefore, it is important that the MP1550 is not used to power or charge these phones. The TekCharge MP1860A, however, is ideal for these phones.
