

# TP-LINK®

The Reliable Choice

## Turn Every Power Socket into an Internet Outlet

Combining the flexibility of wireless networking with the stability  
and speed of a wired connection

**New**

AV200 Mini  
Powerline Adapter  
TL-PA211

Powerful enough for multiple bandwidth intensive applications via an incredibly small device **TL-PA211**

### 1 Super Mini Size

With the new ultra-compact housing design, TP-LINK TL-PA211 is much smaller than most other 200Mbps Powerline Products.

### 2 Up to 200Mbps Ideal for HD Video Streaming

With advanced HomePlug AV technology, TL-PA211 provides you with stable and high speed of up to 200Mbps, far beyond normal 11g wireless speeds. Now you can have data, voice, online gaming, HD Video streaming at the same time.

### 3 Pair Button for Easy Network security

Simply push the "Pair" button on the adapters and then you can set up a hassle-free Powerline network within minutes, which features 128-bit AES encryption for network security and data protection.

### 4 Green Product with Power Saving up to 65%

TL-PA211, TP-LINK's new generation powerline adapter, consumes very little power at only 3 watts. Moreover, when there is no Ethernet Link, it will automatically switch from its regular "working" mode to "standby" mode that reduces energy consumption by over 65%.

### 5 No New Wires Just Plug and Play

No additional wires required, No configuration required, just connect your PC to a powerline adapter, and plug it into a power outlet, instantly transform your household power grid into a full functional network.

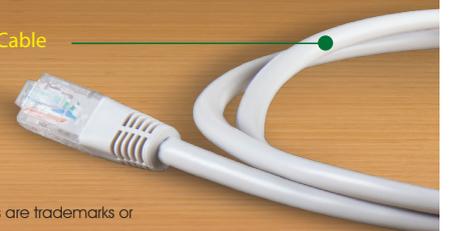

#### Specification

Standards	HomePlug AV, IEEE802.3, IEEE802.3u
Data Rate	200Mbps
Range	300 meters in house
Support	Windows 98SE/2000/XP/2003/Vista, Windows 7, Mac, Linux*
Interface	Ethernet LAN Port*1
Encryption	128-bit AES
Quick Security Setup	√ (Pair Button)
Certifications	CE, RoHS, FCC
Plug Type	EU, UK, US, AU
LEDs	PWR, PLC, ETH
Dimensions	3.6 x 2.2 x 1.2 in. (93 x 56 x 30 mm)

\*Utility Supports Windows 2000, XP 32/64 bit, Vista 32/64 bit, Windows 7 32/64 bit

Free Ethernet Cable
