

THZ185US | Targus Truss™ Leather Case/Stand for Asus® 10.1" Tablets

The Targus Truss Leather Case/Stand is constructed of durable top-grain leather which provides a tough protective exterior. The case easily transforms into a stand for hands-free viewing which is ideal for movie-watching. The cover folds back for convenient in-hand use. To use the tablet in the case, Truss opens like a book, so you'll never have to remove your device. The soft interior lining protects against scratches while the secure wrap-around band holds the case closed when not in use. For added feature, this durable case includes a pen/stylus loop. The Truss case uniquely combines both style and function into a durable tablet case.

Designed specifically for the Asus 10.1" Tablets, including New TF700 Infinity, TF300 Transformer and TF201 Transformer Prime
