

APA31US | 90W AC Laptop Charger

The Targus Laptop Charger is a cost effective solution for those who need a second adapter for travel, or a replacement adapter for their current laptop. The charger features built-in surge protection to keep your laptop safe from unexpected surges and spikes. It also features an interchangeable tip system, which is convenient for those who own multiple laptops as it provides compatibility across major laptop brands. The Targus Laptop Charger is designed to support Acer, Asus, Compaq, Dell, Fujitsu, Gateway, HP, IBM, Lenovo, Panasonic, Sony and Toshiba right out of the box.

Compatibility - Designed to work with laptops with up to 17" screens

24/7 Toll-Free Compatibility Hotline - Need help finding the right adapter or additional tip for your laptop or mobile device? Call Targus toll-free at: (866) 721-4805.

Wall - Power and charge by connecting to a standard wall outlet.

Functionality and Design - Passive cooling desk with internal pockets/storage; open concept design allows the user to store peripherals such as a storage drive inside of the desk and plug it directly into the laptop; Integrated carry handle makes it easy to transport; Non-slip handle helps to hold the laptop in place while in use
