

CL55 | Targus 15.4" Lappac Deluxe Case

This Targus notebook case has a fully lined computer compartment, utilizing an adjustable padded divider, that can hold a full size notebook, power supplies, cables and accessories. The expansive, exterior padded pocket with self-closing flap provides for quick access to your files.

Padded notebook compartment fits widescreen notebooks with screen sizes up to 15.4"

Large front pocket will accommodate folders/documents

Additional features to the front workstation include: pen loops, key clip, business card holder, and side-access hidden mobile phone pocket

Main compartment panel includes: 2 pockets for accessory storage, extra business card holder, slip pocket for files, scratch-resistant sleeves to hold 10 CDs or DVDs, and protective divider to keep accessories and notebook separate

Luggage strap for easy attachment to rolling travel cases

Full size file pocket with divider for additional organization and rear slip pocket for extra file storage

Upgraded nickel hardware and newly designed zipper pulls

Shoulder strap has twice the padding for better comfort
