

CLN5 | Targus Leather Laptop Case

The Targus Leather Notebook Case is crafted of full-grain genuine leather and includes upgraded nickel hardware and newly designed zipper pulls making this a very smart and stylish case. On the inside you will find improvements such as a main compartment panel that includes 2 pockets for accessory storage, a slip pocket for files, scratch-resistant sleeves for up to 10 CD/DVDs plus a protective divider to keep accessories separate from your notebook. To keep your frequently used items close at hand there is a front zip-down workstation, side-access mobile phone pocket and a retractable airline ticket and passport/ID sleeve.

This is a Targus global product
