

RG0322 | Targus 15.4" M1000 Laptop Backpack

Our deluxe ergonomic laptop backpack for the student or professional, the M1000 features sleek styling and premium storage options. The M1000 laptop Backpack secures your laptop with a padded computer storage section that fits laptops with up to standard 15.4" inch screens. The backpack also includes a unique and convenient exterior gear flap with buckle and bungee closure for carrying your jacket and more. Other features are a front organizational pocket with key clip and pen loops, deluxe document and accessory storage areas, and a CD player compartment with line-out porthole for your headphones. And to alleviate the stress on your back, there's contoured ergonomic shoulder straps with 3D air-mesh padding (includes a removable cell phone pocket) along with an internal soft rack.
