

TTL416US | Targus 16" Revolution Checkpoint-Friendly Topload Case

The Targus 16" Revolution Checkpoint-Friendly Topload Case has been redesigned to fit newer, wider laptops with 16:9 screens. Its smart zip-down workstation with iconic callouts include business card holder, 2 dedicated flash drives compartments, dedicated SD card pouch, file section and an iPad/tablet pocket with plush scratchresistant lining. For added storage the case also features, 4 versatile storage pouches, 3 pen loops, and a removable mesh pouch for additional accessory items. The case features the patented SafePort® Air Cushion Protection System for maximum laptop protection during severe drops. This Revolution case also makes it easier to quickly zip through airport security with its Checkpoint Friendly feature. The split design separates the laptop from other accessories in the case to allow for clear x-ray scanning. Constructed of a durable, snag resistant all-nylon exterior, this updated case includes comfortable contour-molded padded handles and an ergonomic, contoured Equalizer II shoulder strap with a non-slip, shock absorbent pad. The luggage trolley strap with easy-to-find yellow pull tab makes it easy to stack this case on top of rolling luggage for transport. With its extensive features, the Targus 16" Revolution Checkpoint-Friendly Topload Case is the perfect companion for any on-the-go professional.
