"Skype 's free call promotion in US, Canada will allow its users in the United States and Canada to make free calls to conventional wireline and mobile phones

This promotional offer, which extends through the end of 2006, covers calls within the United States and Canada. Calls from North America to conventional phones in other countries will incur charges. Skype already offers free calling to users worldwide who call from computer to computer.

Skype, a unit of online auctioneer eBay Inc. counts more than 100 million registered users worldwide. It has reported peak usage of its services by up to 6.5 million customers simultaneously."
