48-Port Cat6 Patch Panel 568B

Highlights

- 19-in. rackmount ready
- EIA/TIA 2/32 spacing
- 2U (3.50") High

Description

Tripp Lite's Category 6 Patch Panels offer you all the functionality and compatibility as any name brand. Each panel comes with 110-type termination, while meeting and exceeding EIA/TIA TSB-40 Category 6 connecting hardware specifications. Color coded for both EIA/TIA 568A & 568B installations. 48 ports ensure a wide range of plug-n-play options. The clear numbering on both the front and back of each panel gives you a quick and easy way to identify cable runs and the high density 19in wide, 2U High, panel design will save you valuable space in on the rack. Tripp Lite warrants this product to be free from defects in materials and workmanship for life.

Package Includes

- Cat6 Patch Panel 568B-48 Port
