Model #: N252-024-HU

24-Port Cat6 0.5U Patch Panel 568A/B

Highlights

- 24 port Cat6 Patch Panel in a Half-U Panel
- 19-in. rackmount ready
- 110 type punch-down termination
- Compliant with the Federal Trade Agreements Act (TAA) for GSA Schedule purchases

Description

Tripp Lite N252-024-HU Cat6 patch panel frees up valuable rack space by condensing 24 RJ45 ports into a Half-U panel. This unique panel features built-in strain relief bar, allowing cables to be wire-tied (24 ties included) to the bar, taking stress off the 110 punchdown connector.

Tripp Lite's Category 6 Patch Panels offer you all the functionality and compatibility as any name brand. Each panel comes with 110-type termination, while meeting and exceeding EIA/TIA TSB-40 Cat6 connecting hardware specifications. Color coded for both EIA/TIA 568A & 568B installations. 24 ports ensure a wide range of plug-n-play options. The clear numbering on both the front and back of each panel gives you a quick and easy way to identify cable runs. Tripp Lite warrants this product to be free from defects in materials and workmanship for life.

Package Includes

- 0.5U Cat6 24-port Patch Panel
- 24 Nylon wire ties
