## Model #: N252-024-V

### 24-Port Cat6 Keystone Type V-Shaped Patch Panel, 1U

#### Highlights

- 19-in. Rackmount V-shaped Cat6 patch panel, 1U height ( 1.75" )
- Angle design routes cables easily to vertical cable troughs
- Keystone Jacks allow for quick disconnect and repositioning
- Compliant with the Federal Trade Agreements Act (TAA) for GSA Schedule purchases

#### Description

Tripp Lite N252-024-V, 24-port Cat6 Patch Panel, is an angled, Keystone style patch panel. The angled design allows for smooth routing of patch cables to vertical cable troughs, without the need for additional front cable management, saving valuable rack space. 24 included White Keystone jacks allow for easier termination: simply punch Cat6 cable onto the jack, and snap the jack into the panel. Also included is a rear cable management bar, that secures the home run cable to the assembly, taking the strain off the jacks.

#### Package Includes

- 24 Port Hinged blank mounting panel, 1U
- 24 x White Cat6 Keystone Jacks
- 24 x White Stuffer Caps
- 24 x 4" Nylon cable ties
- 1 x Rear wire management bar

#### Features

- 19-in. Rackmount V-shaped Cat6 patch panel, 1U height ( 1.75" )
- Angle design routes cables easily to vertical cable troughs...no need for front cable management
- Cat6 Gigabit Keystone Jacks allow for quick disconnect and repositioning
- Compatible with all EIA 19" rackmount racks and cabinets
- Compliant with the Federal Trade Agreements Act (TAA) for GSA Schedule purchases
