

100-ft. High Resolution SVGA/VGA Monitor Easy Pull Cable with Audio and RGB coax (HD15 M/M)

MODEL NUMBER: P504-100-EZ

Description

Tripp Lite's 100 ft. SVGA/VGA Easy Pull Monitor Cable with Connectors and built-in 3.5mm Audio makes running long length video cables a snap. The pull-apart design allows the cable to be run through conduit or other tight areas that a HD15 connector wouldn't fit through. Diameter of the circular DIN end is only 7/8". Circular Easy Pull connector is threaded to ensure maximum security once the cable is re-attached. The mini-coax (RGB) and paired video wire construction delivers superior signal quality. Double shielding (foil and braid) provides maximum EMI/RFI protection. Both high density DB15 males and 3.5mm stereo connectors are molded and have integral strain relief to ensure they last a long time.

Features

- Single run for HD15 Video and Stereo
- Two-piece design runs through conduit or other tight areas
- Threaded circular DIN connector provides secure reattachment
- Superior-molded cables with foil and braid shielding for maximum EMI/RFI protection
- RGB 75-ohm coax construction for maximum video resolution
- HD15 male to HD15 male and 3.5mm Stereo M/M molded connectors
- Supports resolutions up to 1600 x 1200

Highlights

- Two-piece design allows cable to feed through conduit or other tight areas
- Threaded circular DIN connector provides secure reattachment
- Superior-molded cables with foil and braid shielding for maximum EMI/RFI protection
- CMR PVC rated
- Useful in AV presentations installations, projector applications, and classrooms
- 75ohm mini-coax (RGB) and paired video wire construction delivers superior video signal quality
- 3.5mm Stereo Plugs

Applications

- Suspended ceilings, walls, conduit or anywhere too small to fit a standard HD15 cable during installation
- PC or Laptop to Projector
- AV presentations installations, projector applications, and classrooms

Package Includes

- 100 ft. Male/Male Easy Pull SVGA/VGA Monitor Cable w/ Connectors and 3.5mm Audio
