Model #: P568-100-HD

100-ft. 24AWG High Definition High Speed HDMI Digital Video Gold Cable (HDMI M/M)

Highlights

- 24AWG High Definition High Speed HDMI cable
- Supports iPad2 Video Mirroring when used with Apple Digital AV Adapter
- Double Shielded Digital Video Cable
- Gold-plated connectors provide low-loss
- Bandwidth up to 10.2Gbps - Full 1080p Resolution

Description

Tripp Lite's 100ft High Speed v1.3 HDMI - HDMI (High Definition Multimedia Interface), 24AWG High Definition cable allows interconnection between digital display devices, such as DTV's (Digital Television), Plasma displays, LCD TV's, and projectors, to Digital source devices, such as Digital Set-Top boxes, DVD/DVD-R players, and AV receivers. Supports iPad2 Video Mirroring when used with Apple Digital AV Adapter. Heavy gauge wire (24AWG) assures full 1080p resolution at the display when used with Tripp Lite HDMI Signal Boosters. HDMI assures that the best video signal is always sent from source (HDTV signal, DVD Player .) to the display (Projection Television or Plasma). It does this by allowing uncompressed video and multi-channel audio data to be input to the display device through one single cable. The need for multiple analog connections for high-resolution audio and video are eliminated. Without a HDMI connection, one would need 3 video connections for high definition video and 6 audio connections for high-resolution audio. An HDMI connection allows input at high rates of speed, up to 5 Gbps. This leaves a lot of spare capacity for future applications; for example, a current uncompressed HD movie "only" requires 2.2 Gbps for both video and multi-channel audio. Tripp Lite Lifetime Warranty.

Applications

- Use where 1080p Resolutions are mandatory
- Use Tripp Lite HDMI Signal Boosters [B123-001](#) or [B122-000](#)

Package Includes

- 100-ft High Speed v1.3 HDMI to HDMI 24AWG High Definition Gold Digital Video Cable - HDMI-M/HDMI-M

Features

- Heavy Gauge 24AWG wire for full 1080p Resolutions
- Supports iPad2 Video Mirroring when used with Apple Digital AV Adapter
- Creates a pure digital connection between HDMI-enabled HDTV display devices and HDMI-enabled digital video sources
- Gold-plated connectors provide optimal signal transfer
- Premium Double-Shielded HDMI compliant cable protects against outside noise (EMI/RFI)
- Impedance matched twisted pair construction reduces cross-talk and interference
- Available Signal Booster - Tripp Lite [B122-000](#)
- Lifetime Warranty
