

16.1" EDGE TOPLOADER LAPTOP BAG

Checkpoint-friendly Bag

The Edge Toploader TSA friendly laptop bag provides full functionality and practicality for the mobile minimalist who carries their technology with them from home to the office, on a business trip or to the local coffee shop. A large, zippered accessory pocket organizes and stores business cards, pens, keys, smartphone, MP3 players, power cords and other traveling essentials. A front panel with a secure zipper pocket provides immediate access to your small essentials like keys, a wallet, ID or passport, cash and other small items. Add comfort to your journey with the padded shoulder straps and non-slip grip handles. A luggage strap on the back panel slips over the telescoping handle of most rolling luggage. The Edge Toploader Laptop bag accommodates notebooks with displays up to 16.1 inches (diagonally).
