

LapCool 4

NOTEBOOK COOLER

INTRODUCTION

Foldable and compact, the Vantec LapCool 4 is ideal for those wanting a notebook cooler but want to keep size to a minimum. Dual, adjustable fans keep your laptop cool while retractable legs can keep your laptop at a level that is comfortable. Featuring a 4-port USB 2.0 hub makes the LapCool 4 perfect as a portable docking station. The LapCool 4 also includes 2 storage compartments at its base, well suited for storing memory cards and cables. Easy to store, easy to carry, easy to use, the Vantec LapCool 4 is the easy choice for a laptop cooler.
