

EZ-SWAP²

REMOVABLE HARD DRIVE RACK

[PRODUCT DESCRIPTION]

Vantec introduces the EZ-Swap 2 - the convenience of a mobile rack with cooling abilities on par with most dedicated hard drive coolers. The EZ-Swap 2 features front and rear fans to cool the hard drive from all around. It also features a keyed lock to prevent accidental removal while in use. The EZ-Swap 2 is compatible with all IDE hard drives and has a sleek, professional look.
