

Burn up to 8X with Verbatim DVD+R Double Layer

Description	DVD+R DL 8.5GB/240Min 2.4X 10Pk Spindle Box
Reorder Number	Verbatim 95166
Pack Size	10Pk Spindle Box
Capacity	8.5GB / 240Min
Brand	Verbatim

Preferred by DVD drive manufacturers, Verbatim DVD media continues to set the standard for high-speed disc performance, reliability, and compatibility. DVD+R Double Layer nearly doubles the storage capacity with two AZO recording layers on a single-sided disc. Certified and supported by the industry high speed Double Layer writers, Verbatim discs are approved for high speed burning up to 8X speeds. Store up to 8.5GBs of video in approximately 14-15 minutes or less while maintaining compatibility with most DVD video players or DVD-ROM drives. All backed by Verbatim's limited lifetime warranty.

Features & Benefits

- 8.5 Gbyte's of storage capacity on a single-sided disc--No need to flip the disc
- Largest compatible DVD back-up and data archiving format for computer drives
- Record 4 hours of DVD quality television and video (16 hours of VHS quality)
- Supported by high speed Double Layer writers, up to 8X, burn 8.5GB in approximately 14-15 minutes
- Compatible with DVD+R DL drives from Sony, Philips, Lite On and other leading manufacturers
- Ideal for archiving home movies

Mstr Case UPC#	500 23942 95166 2
Mstr Case Qty	(10) 10Pk Spindles

Shipping Information

Available Ship Date	In-Stock
Country of Origin	Singapore
Tarriff Code	8523.90.0000
Warranty	Limited Lifetime
Minimum Order Qty	(10) 10Pk Spindles

1MB = 1 million bytes / 1GB = 1 billion bytes

Some of the capacity is used for formatting and other functions, and thus is not available for data storage. As a result, your operating system may report as fewer megabytes [gigabytes].
