<b>Minimum Order Qty</b>	(6) 100Pk Spindles

\* **Note:** For optimal performance & compatibility, check your drive manufacturer's website and apply the latest firmware upgrades.

1MB = 1 million bytes / 1GB = 1 billion bytes

Some of the capacity is used for formatting and other functions, and thus is not available for data storage. As a result, your operating system may report as fewer megabytes [gigabytes].
