Selling Points

1 Mobile Performance

The new ultraportable V5-123 Notebook gives your digital lifestyle a fresh personality! The smooth rounded corners make it comfortable to carry. The semi-matte cover has a modern yet classic appeal and comes in Shimmering Silver and Glossy Black.

Less than 1" **slim** and under **3 lbs.** light, this notebook is easy to carry while you're on the go. Its 4-cell battery fits flush into the chassis, further streamlining the notebook's look and providing up to **4 hours⁽¹⁾ of cord-free battery life** on a single charge.

The Aspire V5 is compact yet powerful with the reliable **AMD E-Series Dual-Core Processor** that delivers the performance needed for fast web browsing, enjoying online HD entertainment and conquering your everyday computing needs.

With **802.11b/g/n Wireless** connectivity, it's simple and quick to jump on the Internet and access email, browse the web, connect to your social networks and more! Wherever you are, your world is there with you.

2 Multimedia Fun

Watch online videos, surf the Web, social network and more on the stunning **11.6" HD widescreen CineCrystal™ LED-backlit display** with 16:9 aspect ratio and **AMD Radeon™ HD Graphics** for crystal-clear images.

Not only can you see everything better on the Acer Aspire V5-123 you can see everyone. Enjoy face-to-face conversations with family and friends in high-definition video chats with the integrated **HD Webcam and digital Microphone**.

HDMI™ output lets you take your movies, photos and more to a big-screen HDTV or external monitor through a single cable connection so you can share your favorite HD entertainment with family and friends!

Digital Media Card Reader lets you easily transfer your photos and files to your PC and store them on the large **500GB Hard Drive**.

3 Great Productivity

Though compact, the full-size features make it easy to stay productive thanks to the **100% standard-size keyboard** with bigger keys for more accurate typing.

The **Multigesture Touchpad** provides accurate controls of finger gestures for smooth navigation when scrolling, rotating images, zooming and browsing with your fingertips!

With the **new Windows**, you can do more. You have more entertainment, more games, more ways to get stuff done, more ways to search, browse, and connect with the people you care about. And you can make Windows uniquely yours by personalizing your Start screen with Live Tiles, your own photos and the people, apps and sites that matter most.

Memory	Battery Type	(1) Overall system performance is based on several PC attributes. GHZ, processor clock speed, is one of the attributes.			
4096MB Low-Power DDR3L Memory ⁽²⁾ Used Slots: 1 x 4096MB 1 DDR3 Slot (Total) - Maximum 4GB	4-cell Li-ion Battery (2500 mAh)	(2) Shared system memory may be allocated to support integrated graphics, depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by the amount of dedicated and shared system memory utilized by the graphics solution and resources required by the operating environment.			
Video	Battery Life	(3) 1GB is 1 billion bytes. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment.			
AMD Radeon™ HD 8210 Graphics with 512MB of graphics system memory, supporting Unified Video Decoder 4.2 (UVD4.2), OpenCL™ 1.2, OpenGL® 4.3, Microsoft® DirectX® 11.1	Up to 4-hours battery life ⁽⁴⁾	(4) Battery life varies depending on product specifications, computer settings and applications or features launched. All batteries' maximum capacity diminishes with time and use.			
Audio	Dimensions (System)	(5) For a free copy of the standard limited warranty end-users should see a reseller where Acer products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503. TFT displays commonly exhibit a small number of discolored dots, so-called "nonconforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect and, as such, is not covered by the limited warranty or by the upgrade programs. For International travelers warranty Valid only in countries where Acer has an authorized repair facility. For a list of those countries go to http://global.acer.com/support/itw.htm . or call (800) 816-2237. Services and response times may vary in countries outside the U.S. and Canada
