

DCP-7065DN Compact Laser Multi-Function Copier with Duplex Printing and Networking

The DCP-7065DN is a great addition to any small office or home office. It offers crisp, professional-looking printing, convenient flatbed copying, and high-quality color scanning in one compact device. Reliable and hard-working, this multi-function copier includes built-in networking to allow sharing with multiple users. In addition, the DCP-7065DN offers a built-in duplex printing capability for producing two-sided output with ease. Plus an optional high-yield replacement toner cartridge* is available to help reduce your operating costs.
