

The Dell
C3760n and
Dell C3760dn
color laser
printers

Empower your organization to do more with the Dell C3760n and Dell C3760dn color laser printers

Enjoy great performance, security features, and reliability combined with outstanding value

Perfect for medium workgroup needs in a networked environment, the Dell C3760n and Dell C3760dn color laser printers offer the ultimate combination of excellent print quality at a low cost per page, exceptionally high print speeds, and outstanding reliability designed to help maximize uptime. In addition, the standard automatic duplexer in the C3760dn allows two-sided printing which can help reduce paper costs for your organization.

Featuring Dell's total print quality solution, ColorbyDell, the C3760n and C3760dn color laser printers deliver excellent color saturation and image sharpness plus outstanding overall print quality. With stunning print speeds of up to 36 pages per minute (ppm)¹ (letter) in both mono and color/35 ppm¹ (A4), (actual print speed will vary with use) and large print volume capacity of up to 80,000 pages per month (max), the Dell C3760n and Dell C3760dn will easily handle the requirements of your organization. For added convenience, you can print directly to the Dell C3760n and C3760dn from Android devices by using the Dell Mobile Print app.²

For fast, cost-efficient, high-quality color and reliable laser network printing with security features choose the Dell C3760n and Dell C3760dn color laser printers.

The Dell C3760n and Dell C3760dn color laser printers

Product benefits

Excellent value

- Packed with crucial high performance features with one of the lowest Cost Per Page (CPP)* and lower acquisition price** than comparable printers in its class
- Industry-leading high yield drums to reduce the running cost and total cost of ownership
- Toner cartridges that are separate from the drum unit are standard so that either drum unit or toner cartridge can be replaced without wasting the other
- Fuser maintenance kit is covered under the warranty so there are no additional costs if parts wear out during the warranty period

Direct printing from mobile devices

Experience the convenience of printing directly from your Android device using the Dell Mobile Print app²

Superior performance

- Dell's total print quality solution, ColorbyDell, is standard and delivers excellent color saturation and image sharpness plus outstanding print quality using advanced print technologies
- True performance workhorses offer stunning print speeds of up to 36 pages per minute (ppm)¹ (letter) in both mono and color/ 35 ppm¹ (A4), (actual print speed will vary with use)
- Greater level of secure print management through a combination of LDAP protocol and Kerberos authentication
- High-speed duplexer for two-sided printing (Dell C3760dn only) can help boost office productivity

Energy efficient and environmentally conscious

- Faster warm up and print time compared to printers with conventional toners thanks to Dell's Emulsion Aggregation Eco Toner (EA-Eco)
- Easy one-touch operation activates Sleep Mode via the Energy Saver button to save energy
- Help reduce paper consumption with features like "N-Up" which prints multiple pages on one sheet of paper

Easy to set up, manage and use

- Dell features a suite of management software including Dell Toner Management System™, Dell Printer Configuration Web Tool and Dell ColorTrack Pro v1.1 allowing managers to monitor toner levels, configure the printer remotely using a web browser, and manage color printing access to control printing costs

Outstanding reliability

- Large volume capacity of up to 80,000 pages per month (max)
- High-yield toner cartridges to help minimize both down time and user intervention
- Gain peace of mind with Dell's standard 1-Year Limited Hardware Warranty³ and 1-Year Next Business Day On-Site Service After Remote Diagnosis⁴ that includes a Fuser Maintenance Kit
