iVIEW's new 4.3"CyberPad 420TPC-WT Tablet PC is the next generation of mobile internet device, providing access to the web, customization through Android Apps, and viewing of multimedia content. You are able to access easily and download thousands of Apps from the Android Play Store and the King Kong Apps Market to tap your need, such as news, weather, or local business info, enjoying your favorite movie clips, watching some YouTube videos, playing games, or just kicking back and listening to some music, working on the get-go with Office productivity software. With built-in DDR3 of 512MB, 4.3" CyberPad speed is faster than most of the tablet pc in the market and with memory of 4GB, you may store plenty of pictures, movies, and documents. Expansion storage is available via Card Reader slot, up to 32GB. iVIEW- 420TPC-WT is your all-in-one tablet that you can't live without.
Notes:

* This is a high-density electronic product; please do not dismantle it by yourself.
* Avoid strong beat and collision.
* Avoid using this product in the following environments: High and low temperature, humidity, dusty, with strong magnetic and long-term exposure to the sun.
