INOi's 20GB USB Poket 1.8" PHOTO HARDDRIVE, (HD182-20)

The PHOTOHARDDISK is the perfect companion for digital photographers as well as mobile computer users. You can easily use this product to back up the most popular type and high-resolution of digital camera flash media. If you fill up your flash card with pictures and would like to keep shooting. No worry. Just transfer the entire contents of your flash media card to the PHOTOHARDDISK with on one press of a button. Your photos are now safely stored on the internal 1.8" hard disk, allowing you to erase your flash card so you can take more pictures. Also, the PHOTOHARDDISK can be used with any PC or MAC computer for additional mobile storage of your data files. All your computer need is a USB port. Just plug in the unit and you can quickly upload files to your computer or download to your PHOTOHARDDISK. What's best is that you don't even need external power. The PHOYOHARDDISK gets all of its power from your computer, making it a truly mobile device.
