FCC Compliance Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Use of Trademarks, Registered Trademarks, and other Protected Names and Symbols

This manual may make reference to trademarks, registered trademarks, and other protected names and/or symbols of third-party companies not related in any way to StarTech.com. Where they occur these references are for illustrative purposes only and do not represent an endorsement of a product or service by StarTech.com, or an endorsement of the product(s) to which this manual applies by the third-party company in question. Regardless of any direct acknowledgement elsewhere in the body of this document, StarTech.com hereby acknowledges that all trademarks, registered trademarks, service marks, and other protected names and/or symbols contained in this manual and related documents are the property of their respective holders.

Introduction

Thank you for purchasing a StarTech.com video extension solution. ST124UTPEA/ST128UTPEA and STUTPEALR combine to create a cost effective method of providing high quality video (with audio) to remote locations from anywhere in the world over the Internet or over a LAN or WAN, and integrates a 17" active matrix LCD monitor, low-profile keyboard and touchpad that can be folded down into just 1U of cabinet space.

Features

- Supports resolutions of up to 1024x768 @ 60 Hz refresh rate at maximum extension distance; higher resolutions available with shorter cable runs
- Delivers VGA video and audio to monitors located up to 300m / 950ft away
- Can be used with a four port line splitter

Package Contents

ST124UTPEA/ST128UTPEA/STUTPEA4X

- 1 x Local VGA Video and Audio Extender
- 1 x Power Adapter
- 2 x Rack Rails
- 1 x Screw kit for rack rails
- 1 x Instruction Manual

STUTPEALR

- 1 X Instruction Manual
- 1 X Long Range UTP Receiver
- 1 X Power Adapter - Class 2 Transformer

Hardware Guide

Line Splitter - Rear View

Line Splitter - Front View

1. VGA Output (HD-15 Female Connector)
2. CAT5 Input
3. EQ – Equalization length adjust (Adjust to sharpen images)
4. GAIN – Adjust brightness
5. Power LED
6. Input Power Jack
7. CAT5 Output ports

Installation

1. Turn off the VGA signal source device (computer).
2. Connect the local unit (ST124UTPEA/ST128UTPEA) HD-15 female **INPUT** connector to the signal source (computer) using an HD-15 male to male cable.
3. Connect the **AUDIO IN** connector of the local unit (ST124UTPEA/ST128UTPEA) to the **Audio Out** port of the audio source (computer sound card), using a 3.5mm audio cable.
4. **Optional:** Connect a compatible microphone cable to the **MIC IN** connector on the local unit (ST124UTPEA/ST128UTPEA).
5. Connect a VGA monitor to the local unit (ST124UTPEA/ST128UTPEA) HD-15 female **OUTPUT** using an HD-15 male to male cable
6. Connect the Local Unit (ST124UTPEA/ST128UTPEA) **CAT5 OUT** port to the Remote Unit (STUTPEALR) using CAT5 cable.

Optional: If you will be using the STUTPEA4X Line Splitter, connect the Local Unit (ST124UTPEA/ST128UTPEA) **CAT5 OUT** port to the Line Splitter using CAT5 cable. Once the Line Splitter has been connected, you have the option of connecting to up to four remote units (STUTPEALR) using CAT5 cable.

7. Once each of the Remote Units have been connected to either a Local Unit (ST124UTPEA/ST128UTPEA) or Line Splitter (STUTPEA4X), connect a VGA monitor to the HD-15 **OUTPUT** connector provided by the remote units as necessary.
8. Connect the Remote Unit **AUDIO OUT** port to the device you will be using to distribute audio (i.e. stereo receiver, amplifier etc.)
9. Connect the power cord on all units (Local, Line Splitter, Remote).
10. Turn on the monitor and PC and audio amplifier.

When situating the Local and Remote Units, please review the maximum distance capability offered by each component (found in the **Specifications** section)

Specifications

Local Unit

| Function | ST124UTPEA | ST128UTPEA |
|----------------------|-----------------------|------------|
| VGA In Connector | HD-15 Female x 1 | |
| VGA Out Connector | HD-15 Female x 1 | |
| Audio In Connector | 3.5mm Stereo Jack x 1 | |
| MIC In Connector | 3.5mm Stereo Jack x 1 | |
| RJ-45 Connector | 4 | 8 |
| Max. Resolution | 1280x1024 60Hz | |
| Cable Distance | 300 m (Max.) | |
| Power Adapter (Min.) | DC 12V 600mA | |
| Weight | 600 g | 660 g |
| Dimensions (LxWxH) | 220x119.5x41 mm | |

Remote Unit

| Function | STUTPEALR |
|------------------------|-----------------------|
| VGA In/Out Connector | HD-15 Female x 1 |
| Audio In/Out Connector | 3.5mm Stereo Jack x 1 |
| RJ-45 Connector | 1 |
| Max. Resolution | 1280x1024 60Hz |
| Cable Distance | 300 m (Max.) |
| Power Adapter (Min.) | DC 12V 600mA |
| Weight | 296 g |
| Dimensions (LxWxH) | 130x110.5x25 mm |

Distances/Resolutions

Please note: It is recommended that CAT5 cable be used, as it offers superior performance to other standards. For example, CAT6:

| Cable Type | Supported Distance | Supported Resolutions |
|------------|--------------------|-----------------------|
| CAT.5/5E | 50M | 2048x1536 |
| | 100M | 1280x1024 |
| | 180M | 1024x768 |
| | 200M | 800x600 |
| | 300M | 640x480 |
| CAT.6 | 30M | 1920x1440 |
| | 50M | 1280x1024 |
| | 100M | 800x600 |

Wiring Information and Coding

| Conductor Identification | RJ45 Pin Assignment | Color Code for Conductor |
|--------------------------|---------------------|--------------------------|
| Pair 1 | 5 | White-Blue |
| | 4 | Blue |
| Pair 2 | 1 | White-Orange |
| | 2 | Orange |
| Pair 3 | 3 | White-Green |
| | 6 | Green |
| Pair 4 | 7 | White-Brown |
| | 8 | Brown |

Technical Support

StarTech.com's lifetime technical support is an integral part of our commitment to provide industry-leading solutions. If you ever need help with your product, visit www.startech.com/support and access our comprehensive selection of online tools, documentation, and downloads.

Warranty Information

This product is backed by a one-year warranty. In addition, StarTech.com warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labor costs only. StarTech.com does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.

StarTech.com has been making “hard-to-find easy” since 1985, providing high quality solutions to a diverse IT and A/V customer base that spans many channels, including government, education and industrial facilities to name just a few. We offer an unmatched selection of computer parts, cables, A/V products, KVM and Server Management solutions, serving a worldwide market through our locations in the United States, Canada, the United Kingdom and Taiwan.

Visit **www.startech.com** today for complete information about all our products and to access exclusive interactive tools such as the Cable Finder, Parts Finder and the KVM Reference Guide. StarTech.com makes it easy to complete almost any IT or A/V solution. Find out for yourself why our products lead the industry in performance, support, and value.
